- 8) The stations will be available for drawing cards between noon and 4 p.m. Only one poker card per draw. The first card drawn will count. If more than one is inadvertently drawn, all cards will be returned to the deck for a redraw of one card. In the event an identical card is drawn at different stations, contestants will draw another card. Contestants with multiple hands will return the card to the deck before subsequent draws.
- 9) Extenuating circumstances may permit up to two draws from one station per hand. (All players must go to at least 3 stations to complete a hand.) Contestants dissuaded from boating by extreme situations (weather, wind, mechanical, etc.), may proceed to the scoring and verification station (the Wharf) and draw all entitled cards before 4:00 p.m.
- 10) Mulligans may only be drawn at the designated station.
- 11) **Poker hands must be submitted to LMYC officials at the Wharf by the Lake Murray Marina Store no later than 5 p.m. on event day. No cards will be accepted after 5:00 p.m. Cards will be compared to the station validation sheets. If there is a difference between the punches on the card and the validation sheet, the validation sheet will be considered the official result for the hand.**
- 12) There are no wild cards. Suits will be ranked low to high - Clubs, Diamonds, Hearts, Spades. Aces are always a high card. Contestant's poker hand will consist of the best five cards drawn.
- 13) In the unlikely event of identical hands, those who are tied will share equally the prize they are tied for, and the one below it, if applicable (e.g. if tied for first, contestants will share first and second prizes. If tied for third, contestants will share third prize.)
- 14) All boating rules apply and are subject to Lake Patrol enforcement. Contestants must stay in their boats at all stations. **No boarding, use of restrooms, or swimming around the stations is permitted.** Contestants may be disqualified without reimbursement for misconduct. The event manager is final authority on all matters.
